The first volume of
"Inari! Kyusuketaki!"
is on sale!

As a production, it has
some stupid moments,
but it might be your
cup of tea?

I think that people who
are a little idiotic
can live life a little easier.
Please keep your mind
open to such nations,
and treat
Lucrezia kindly.

Hello. I'm Kusakabe Rei. "Inari!! Kyuuketsuki" Vol. 1 is now on sale ~~~
It's a bit of a slapstick comedy, but I had fun drawing it.
As an idiotic girl, she might act too idiotic but, in the future she might be useful...?
Inori might curiously be expecting something from her...so you should too!
Inori-san seems like the type of person who would put snakeskin in her
wallet (a good luck charm), so she wouldn't worry about small things.
So just like her, don't worry about the small things. I'd be happy if you would
be able to read and enjoy this story. ♡
I'll be waiting for your opinions and comments. ★ Thank you very much!!
